Fear

Organisation & Relationship Systems Coaching (ORSC)

ORSC is an integrated and robust coaching model based on Relationship Systems Intelligence™.

Beyond Emotional Intelligence (relationship with oneself) and Social Intelligence (relationship with other) is the realm of Relationship Systems Intelligence where one's focus shifts to the relationship with the group, team or system.

This approach creates sustainable and resilient teams and families.

ORSC is based on:

- Systems Theory
- Family System Therapy
- Process Work
- Taoism
- Quantum Physics
- Co-active Coaching
- Alternative Dispute Resolution.
